Position Description

PSYCHOTHERAPIST

Position Description:

A leading outpatient mental health organization in Waukesha County seeks a fully licensed psychotherapist to work with an outpatient caseload consisting primarily of children ages 3-13, adolescents, teens, parents. Full time caseload involves availability for at least 30 clients per week; half time caseload involves availability for at least 15 clients per week.

Minimum of 1 year experience serving child clients; experience with DSM-V diagnoses and with evidence-based treatment methods addressing a wide range of emotional, mental health, family and personal issues. Candidates with existing insurance credentials are preferred.

Minimum experience required: Fully licensed LCSW, LPC or LMFT. Must have prior experience providing outpatient psychotherapy post-licensure. **NOTE: NO TRAINEES (APSW or LPC-IT, LMT-IT are ineligible).**

Applicant qualifications and skills:

- Ability to diagnose according to DSM-V coding system
- Ability to create treatment plans with measurable goals
- Proficient in evidence-based treatment therapy modalities
- Trauma training and knowledge of effective trauma treatment techniques for adults, teens and children
- Experience building emotional regulation skills with child/adolescent/teen clients
- Family systems
- Ability to work independently and as part of a treatment or school team
- Ability to work collaboratively with colleagues and community professionals
- Creative, receptive and responsive
- Projects a professional demeanor and appearance
- Familiar with legal, ethical standards
- Knowledge of DSM diagnosing
- Child welfare experience desirable
- Ability to work with a variety of mental health, emotional and family issues among teens and younger children.
- Employee assistance experience desired

Tasks and Responsibilities

Provide psychotherapy to a varied client caseload of children, teens, adults, couples and families; provide contracted employee assistance.

- Assessment, intake, case management, individual therapy, couples counseling, family therapy, adult psychotherapy as needed.
- Complete client charting and other required paperwork per agency, state and insurance contract requirements.
- Attend peer consultation, staff meetings, supervision and other agency meetings.
- Provide emergency after-hours coverage on rotation.
- Maintain client confidentiality and comply with HIPAA guidelines
- Uphold agency and state ethical and legal standards.
- Establish and maintain collateral contacts as needed.
- Attend Family Team meetings with County referring agents, as needed
- Participate in marketing and public relations efforts upon request.
- Fulfill continuing education requirements to maintain state licensure.
- Maintain positive and cooperative working relationships with clinical colleagues and other agency staff.
- Other tasks and responsibilities as assigned.
